On November 10, 2017 I will feel what it is like to be homeless and cold. Inside my temporary "home" I've built myself from cardboard boxes and blankets. I'll experience homelessness so I can raise money to help children and their families in East Texas who face this tragedy; families who have no place to call home.

Your generous donation will benefit the children and families served by Longview Interfaith Hospitality Network. Every dollar you pledge will provide shelter, meals, basic hygiene and program to help the families become self-sufficient.
